A modern building with a glass facade and a wireframe overlay. The building has a prominent glass entrance and a balcony. The wireframe is a light blue grid that outlines the building's structure. The text "Solutions that make Sense..." is overlaid in a dark blue font.

Solutions that make Sense...

We have served since 2012

At Spectrum, our paramount objective is to offer you unparalleled home improvement solutions that seamlessly fuse elegance with functionality. Specializing in the meticulous crafting of exquisitely designed doors and windows systems, we ensure each piece harmonizes flawlessly with your home's aesthetic while enhancing its practicality. Through the adept utilization of premium aluminum profiles, our doors and window systems are expertly fashioned using cutting-edge techniques and top-tier materials, guaranteeing not only unmatched durability but also enduring beauty for residential homes and villas alike.

Who We Are

We are India's leading UPVC doors and windows company. With a focus on elegance and sustainability, we provide high-quality products, professional installation, and best in class after-sales service, transforming homes into extraordinary spaces while ensuring a healthy indoor environment.

What We Do

- Craft premium UPVC doors and windows.
- Elevate aesthetics and functionality.
- Customizable solutions for unique styles.
- Seamless installation and customer support.

*And still
continuing to..*

Technologies from across the globe...

Delivering end to end full range and hassle free solutions

Spectrum's footprint in the market is unmistakable as a leading UPVC doors and windows company. With our strong presence in North-India, we have earned a reputation for delivering exceptional products, seamless installations, and unparalleled customer support all across the industry. Our widespread presence ensures that customers can rely on us for top-quality solutions and service.

About Vero

At Vero, we are not only dedicated to elevating the aesthetics of your living space but also prioritising safety, comfort, and satisfaction at every turn. Our exquisitely designed aluminium system of doors and windows not only adds a touch of elegance to your home but also ensures optimal safety and security for you and your loved ones.

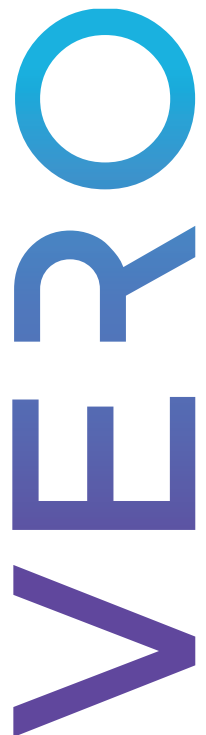

En Vero, no sólo nos dedicamos a elevar la estética de su espacio vital, sino también priorizando seguridad, comodidad y satisfacción en todo momento. Nuestro sistema de puertas y ventanas de aluminio exquisitamente diseñado no sólo agrega un toque de elegancia a tu hogar pero también asegura seguridad óptima para usted y sus seres queridos.

Our team of experts is dedicated to providing personalized service and support, guiding you through every step of the selection and installation process to ensure that your vision for your home is brought to life seamlessly. We take pride in exceeding your expectations, delivering not just products, but experiences that leave you feeling delighted and inspired.

Nuestro equipo de expertos está dedicado a brindar servicio y soporte personalizados, guiándolo en cada paso del proceso de selección e instalación para garantizar que su visión de su hogar se haga realidad sin problemas. Estamos orgullosos de superar sus expectativas, brindándole no solo productos, sino también experiencias que lo dejan encantado e inspirado.

With a reputation for reliability, innovation, and unparalleled quality, Vero is poised to become a trusted partner in home improvement, offering homeowners safety, comfort, and satisfaction that truly stand the test of time.

Con una reputación de confiabilidad, innovación y calidad incomparable, Vero está preparado para convertirse en un socio confiable en mejoras para el hogar, ofreciendo a los propietarios seguridad, comodidad y satisfacción que realmente resisten el paso del tiempo.

VERO

Collaborators from across the globe

Vero Aluminium Systems thrives on global collaboration, forging strategic partnerships with industry-leading brands like BKS Cam Balkon Sistemleri, Assa Abloy Opening Solutions, Velux, Schlegel, Gretsch-Unitas, Cmech, and Giesse. These collaborations strengthen our ability to provide comprehensive solutions by integrating the expertise and innovations of our esteemed partners. By leveraging these alliances, Vero Aluminium Systems delivers an extensive range of high-quality products, cutting-edge technologies, and a global knowledge network. Together, we strive to exceed customer expectations and set new benchmarks for excellence in the industry.

Vero Aluminium Systems prospera gracias a la colaboración global, forjando asociaciones estratégicas con marcas líderes en la industria como BKS Cam Balkon Sistemleri, Assa Abloy Opening Solutions, Velux, Schlegel, Gretsch-Unitas, Cmech y Giesse. Estas colaboraciones fortalecen nuestra capacidad para brindar soluciones integrales mediante la integración de la experiencia y las innovaciones de nuestros estimados socios. Al aprovechar estas alianzas, Vero Aluminium Systems ofrece una amplia gama de productos de alta calidad, tecnologías de vanguardia y una red de conocimiento global. Juntos, nos esforzamos por superar las expectativas de los clientes y establecer nuevos puntos de referencia para la excelencia en la industria.

Introducing Vero Range

Introducing the Vero Range: a versatile lineup by Vero Aluminum Systems. From the elegant Vero Spazio for Doors & Windows, to the sleek Vero Invisio Slimline Series, and the functional Vero Elito for Internal & Office Partitions. Explore the stylish Vero Rainbow for Railings, Skylights & Pergolas, and the innovative Vero Unico for Unique Solutions.

Vero Spazio

Vero Invisio

For Your Dream Home with the Long Line of Views from Everywhere, welcomes this minimalist sliding door. Saving you from all the dust and rain, enjoy the views effortlessly.

Vero Elito

For All Your Home and Office Internal Aesthetics Needs, Welcome Vero Elito to Experience the Best and Cleanest Internal Partition Available out there.

Vero Unico

Get the Best Quality Motorized Vertical Systems for your homes and offices. Explore the Versatility for Your Homes. Find the perfect Velux Roof Windows for your homes

Vero Rainbow

Find the Best Skylight Glass Aesthetics and Glass Railings for Your Homes and Villas, both internal and external fittings. Give Your Homes the Exceptional Aesthetics of Glass they deserve.

Vero Spazio

Vero Spazio, the exclusive collection within the Vero Range, that is specially crafted for Doors & Windows.

When it comes to doors, Vero Spazio offers a range of options to suit your preferences. From single-point locking systems that provide simplicity and ease of use to multi-point locking mechanisms that offer enhanced security and stability, you can choose the ideal solution for your specific needs. The doors are specifically designed and manufactured to meet the highest standards of quality and durability.

Experience first hand the effortless functionality and enhanced security with Vero Spazio's designed locking systems. Single-point locks ensure seamless operation, perfect for smaller windows, while multipoint locks provide added protection by engaging multiple locking points along the window frame. Elevating both form and function and ergonomic and visually appealing handles that enhance the overall experience of having these windows.

In Vero Spazio, each door and window is made using premium materials and advanced manufacturing techniques, ensuring a smooth and continuous blend of design, functionality, and security.

Vero Invisio

Vero Invisio brings to you a minimalist sliding door that enhances homes with grand views by creating a seamless connection to the outdoors. Unlike traditional doors, Vero Invisio removes barriers of any sort, bringing the beauty of nature into your living space by combining all the windows as one. Imagine waking up everyday to a stunning sunrise that fills your home with light.

Vero Invisio understands the Indian climate. While offering expansive views, these doors protect your home from dust storms, monsoons, and other weather elements. You can enjoy both comfort and a connection to nature.

The design of Vero Invisio complements any architectural style and glides effortlessly for a seamless indoor-outdoor flow. Vero Invisio stands out for both aesthetics and functionality.

Hosting a party or a weekend get-together? Vero Invisio creates a sense of openness, making memories unforgettable. Let Vero Invisio connect your dream home to the world beyond. These innovative doors redefine the concept of doors, transforming them into gateways to a life in harmony with nature.

With Vero Invisio, you can transform your residence into a sanctuary of serenity and luxury, offering practical functionality and aesthetic appeal

Expansive Views, Greener Choices

Expand your horizons with Vero's sustainable solutions, where panoramic views unfold while preserving the beauty of our planet. Embrace a greener choice without compromising on elegance and functionality.

Vero, an embodiment of eco-conscious design and visionary craftsmanship. Our commitment to environmental consciousness resonates throughout the Vero Aluminum Systems, including the exceptional Vero range.

Energy efficiency is a cornerstone of Vero design and construction practices. By integrating innovative technologies and techniques, our partitions are engineered to optimize energy usage, reducing environmental impact while enhancing the overall performance of your space.

We take pride in our efforts to reduce our carbon footprint. From sourcing materials responsibly to implementing eco-friendly manufacturing processes, Vero exemplifies our commitment to minimizing environmental harm at every stage of production.

Vero complies with stringent green building standards, ensuring that your choice aligns with sustainable practices and contributes to *a healthier planet*.

Vero Elito

Vero Elito shines in both homes and offices. Their sliding glass doors create spacious, inviting rooms with natural light. In offices, their adaptable partitions allow teamwork and privacy.

Vero Elito elevates interiors with style, function, and timeless elegance, making them the perfect choice for homes and businesses. Their unbeatable blend features multiple sets a new standard for excellence, satisfying customers on every level.

Vero Elito goes beyond partitions. Vero Elito partitions seamlessly combine with your existing designs and elevate your space without compromising its essence.

Imagine your space as a canvas with the exceptional Vero Elito partitions that are the brushstrokes for the masterpiece of refined living and exceptional work. Functionality and elegance come together to transform these partitions into design elements that speak volumes about your style. With Vero Elito, every corner becomes a canvas for your vision.

A modern dining room with a wooden table, chairs, and large plants. The room features a wooden dining table with a central pedestal, surrounded by wooden chairs with white seats. A large Monstera plant is in a glass vase on the table. In the background, there are more plants and a wooden cabinet. The ceiling has exposed beams and modern pendant lights. A window is visible on the right side. A semi-transparent yellow banner is overlaid on the left side of the image, containing text.

Liberate your imaginations with tailored innovations

A range of customizable options, allowing you to create truly unique solutions tailored to your individual style and requirements.

Vero Unico

Vero Unico unlocks a new chapter in smart living, blending functionality with stunning style. Imagine - a gentle touch on your phone or remote, and your blinds silently adjust, bathing your space in the perfect light or cloaking it in privacy.

Unico isn't a one-size-fits-all solution. We celebrate diversity! Our motorized blinds and shades fit any window or door, from grand floor-to-ceiling masterpieces to charming kitchen nooks. Flood rooms with natural light or create cozy corners with strategically placed shades.

Do not settle for limitations. Unico offers Velux type roof windows, bringing natural light and fresh air right into your home. These skylights brighten any space, making even small rooms feel bigger.

Imagine stargazing at night or working in a sunlit office! Unico goes beyond products - they're your partner for a smarter, more convenient home. These high-quality windows are built to last.

We stand out not just as a provider, but as a partner in maximizing the potential of your home and office.

VERO VELUX Roof Windows

Do not settle for limitations !

Encompassing VELUX roof windows, Vero Unico brings 80 years of evergoing innovation, the belief of consumers & a promise of sustainable growth and immense satisfaction to elevate your home further. These skylights infuse natural light and fresh air, expanding even the smallest rooms.

Experience the enchantment of stargazing or working bathed in sunlight, all thanks to Unico's commitment to quality. With Velux's expertise, we ensure lasting satisfaction, unlocking the full potential of your space.

Vero Rainbow

Vero Rainbow bathes your home in the glorious embrace of natural light. Forget conventional walls - skylights become your design partners, transforming your space into a haven of brilliance. Imagine waking up to the gentle kiss of sunlight or gazing at a mesmerizing tapestry of stars at night. Vero Rainbow's skylights aren't just windows; they're portals to a world of wonder.

But Vero Rainbow goes beyond illumination. We understand the art of creating a unified visual language for your home. Picture light dancing playfully across these sleek surfaces, creating a sense of just the perfect amount of elegance and openness throughout your living space.

Choose from a variety of stunning options, expertly crafted to match your home's architecture. Imagine an atrium drenched in sunlight in a seamless flow between your indoor and outdoor spaces. Vero Rainbow's experts will guide you to the perfect solution, transforming your home into a haven bathed in natural light.

Made with top-quality materials and adhering to strict standards, their products offer lasting peace of mind. It's more than a purchase; it's an investment in a luxurious, light-filled lifestyle. Let Vero Rainbow transform your home into a captivating canvas, where natural light takes center stage and forever changes how you experience your space.

Why Choose Vero Aluminum Systems?

Unparalleled Craftsmanship

Experience European profiles renowned for their exquisite craftsmanship. Each Vero Aluminum Systems product is meticulously engineered to perfection, resulting in unrivaled quality.

Impeccable Engineering

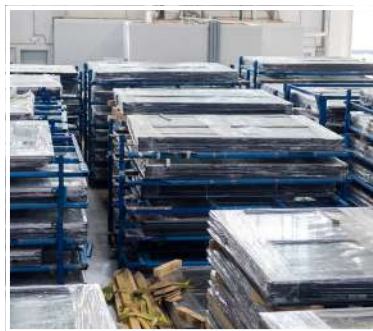

Experience the flawless angularity, sturdy construction, and impeccable joints that define Vero Aluminum Systems. Our structured fabrication process guarantees precision in every detail.

Superior Strength and Durability

Embrace the power of virgin aluminum, the cornerstone of our products. With its exceptional strength and durability, our aluminum systems deliver unparalleled performance and longevity.

Precision Every Step of the Way

Our professionally managed operations leave no room for compromise. With dedicated teams for each process, we ensure flawless execution, fast turnaround times, and seamless deliveries.

Functionality Redefined

Elevate your spaces with our Euro groove systems. Experience high functionality, trouble-free operation, and the perfect load carrying capacity. We set the bar higher, so you can aim higher.

Finishing & Coating

Experience the unparalleled quality of premium coating at VERO.

Our process transforms ordinary aluminum windows into extraordinary works of art, elevating both their strength and aesthetics. Introducing Vero's signature COATINGX anodized finish, a true testament to the power of protection and beauty. With this remarkable coating, your aluminum windows are shielded from the elements, ensuring long-lasting durability while showcasing the stunning allure of natural aluminum.

But that's not all - Vero goes beyond the ordinary, offering an extensive array of captivating color variations. Whether you seek timeless elegance or bold vibrancy, our wide selection caters to your unique taste, enhancing your lifestyle with a touch of everlasting joy. Discover the transformative power of premium coating at VERO and unleash the full potential of your aluminum door& windows.

4 tank powder coating process

Experience the power of our 4-tank powder coating process, where precision meets durability. A flawless finish that withstands the test of time and enhances the longevity of your products.

Interpon D1000 & Qualicoat Class1

Discover the epitome of excellence with Interpon D1000, a prestigious powder coating system. Achieving the esteemed Qualicoat Class1 certification, it guarantees unparalleled durability, UV resistance, and color retention, ensuring an impeccable, enduring finish.

15 Year Warranty

Rest easy knowing your investment is protected with our comprehensive 15-year warranty. Experience peace of mind as we stand behind the durability and quality of our products for years to come.

Explore colors befitting your personal style...

By combining different hues, you create a captivating visual contrast that adds depth and dimension to your living spaces. Whether you opt for bold, statement-making shades or subtle, harmonious tones, the right color palette can evoke various moods and atmospheres, from energizing and dynamic to calming and serene. With each slide of the door, you'll be greeted by a kaleidoscope of colors that enliven the room and elevate its aesthetic appeal. Embrace the versatility of color and transform your house into a vibrant sanctuary that reflects your unique style and personality.
